Audubon GREENWICH

 Audubon GREENWICH

SCOUT PROGRAMS

Outdoor Environmental Programs for Scouts

Tiger Cub Scouts

Grade 1

Let's Go Outdoors!

Achievement: 5 / Requirements: D, F, G

Use your senses to explore Audubon as the seasons change! We will discover how plants and animals prepare for seasonal changes. Search for plants and their parts while hiking through a variety of habitats.

Learn About Animals

Elective: 31

Get to know a variety of animals while exploring their homes. Listen for their sounds, watch their behaviors, discover where they live and find out what they eat.

Feed the Birds

Elective: 32

After our outdoor animal investigation, you can make a birdfeeder to take home with you for all of your backyard birds to enjoy. *If you are interested in building birdfeeders, please inquire upon program*

Bear Scouts

Grade 3

Sharing Your World With Wildlife

Achievement: 5 / Requirements: A, C, D, E

Practice being a naturalist as you observe animals and study their behaviors. We will explore ways in which naturalists gather information and how people have helped save endangered species from becoming extinct. *Part of the World Conservation Award.*

Water and Soil Conservation

Elective: 15 / Requirements: A-E

Learn how important water and soil are to people, animals and plants. Investigate what soil is made of and how it forms. *Part of the World Conservation*

Webelo Scouts

Grades 4 & 5

*Forester **

Activity Badge: F / Requirements: 2, 3, 4, 5, 6, 7, 9

Come learn about the structure and function of trees and their parts as we study their history, how to read tree rings and what to look for when identifying some of the flora that makes up Audubon's forest.

** Optional Tree Finder guides may be purchased in advance. Please inquire upon program request.*

Naturalist

Activity Badge: N / Requirements: 4, 6, 7, 8, 9, 10, 11

Test your naturalist skills as we observe wild plants and animals. We will look at their roles in the food chain and learn about their defenses while getting to

Brownie Girl Scouts

Ages 6-8

Eco-Explorer (Try It)

Activities: 1-6

Become a nature detective as we search for the plants and animals that make up Audubon's natural world.

Watching Wildlife

Activities: 1, 2, 4, 5, 6

We will explore Audubon's diverse habitats in search of animals and see how they find the food, shelter, space and water they need to survive.

Water Everywhere

Activities: 4, 5

Come and explore the plants and animals that in and around Indian Spring Pond.

Outdoor Adventurer / Plants / Animals

Activities: 3, 5 / Activities: 2, 4 / Activities 2, 4
The activities listed above can be integrated into any

Wolf Scouts

Grade 2

*Birds **

Elective: 13 / Arrow Points: A-F

Learn to identify different birds while observing them at our feeders and on the trail. We'll search for their nests and identify some food sources. *If you are interested in creating a nesting material holder, please inquire upon program request.*

** Optional laminated bird guides may be purchased in advance. Please inquire upon program request.*

Outdoor Adventures

Elective: 18 / Arrow Point: G

During our bird walk, we will learn how to identify plants that are poisonous to humans.
