in Greenwich

Pathway to the Future

Thank you for your interest in purchasing a stepping stone in honor of Audubon Greenwich's 75th anniversary. Your contribution will go directly to supporting Audubon Greenwich's conservation and education programs.

The stepping stone is a roughly 24X24 inch granite stone – each one with a unique shape and color – that will be embedded in the overlook area above the Nature Play Trail and at the end of the Pathway to the Future (in the image to the right, it is the area just in front of the split rail fence).

To purchase a stepping stone, please make your contribution of \$10,000 by check payable to Audubon Greenwich or fill out your credit card information below. For other forms of payment, please contact Michelle Frankel at 203-930-1350.

Donations are tax-deductible to the fullest extent permitted by law.
